The Bulletin.

Commercial.

MONDAY EVENING, April 4, 1870. Owing to the continued limited receipts of corn, oats and hay since our last semi-weekly review, the market has ruled extremely firm for these articles with an advance in hay of \$1 00 to \$1 50 per ton.

Flour.—Owing to the dullness of the trade and the discouraging advice sent out by dealers, receipts have diminished within the past week, and with a moderate order demand, stocks cannot now be said to be accumulating to any extent.

Corn.—There has been a good order demand with very limited receipts, and the market has been poorly supplied. 250 sacks mixed white sold at \$7 50, and 1 car choice white at 90c.

Oats.—There is a firmer feeling in the market, with a tendency to rather better prices. Sales were 1 car mixed on track at \$3 75, and 200 sacks in lots, delivered, at \$3 50, and 50 sacks choice black sold on credit at \$3 75.

Hay.—Has been scarce, and with good demand from \$1 00 to \$1 50 per ton advance has been easily obtained. Sales were early.

Corn Meal.—Has been dull, with sales of 20 bbls kind dried at \$4 15, 25 per bbl.

Butter.—Is quiet, with the market moderately well supplied, and previous outside prices are hardly obtainable. 2 lbs choice sold at \$8, and 2 lbs choice white winter at \$6.

Eggs.—The market has been poorly supplied since our last, and prices have advanced. 5 boxes sold early at 18c, and later 6 packages at 20c.

Poultry.—5 coops chickens sold at \$5 00, 3 coops geese at \$3 00.

Fruit.—40 bbls apples sold at \$4 00. Oranges and lemons are selling at \$5 00 @ \$6 00.

Potatoes.—15 bbls Pinekeys sold at \$1 50 per bbl. Sorghum.—3 bbls sold at 50c. Freights.—are quiet and unchanged, with moderate shipments South.

DR. JOHN BULL'S

Great Remedies DR. JOHN BULL CELEBRATED Smith's Tonic SYRUP FOR THE CURE OF AGUE AND FEVER. Chills and Fever.

THE proprietor of this celebrated medicine justly claims for its superiority over all remedies ever offered to the public for the ague, fever, chills and remittent fever, or short or long standing. It is the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out.

DR. JOHN BULL'S Principal office: NO. 40 FIFTH, (Cross Street,) Louisville, Ky.

To My United States and World wide Readers: I HAVE received many testimonials from professional and medical men, as my advance and various publications have shown, all of which are genuine.

DR. JOHN BULL—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it wonderfully effective. It has not failed in a single instance to have the wished-for effect.

DR. JOHN BULL—Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I sent you the following statement of my case.

DR. JOHN BULL—Dear Sir: My husband, Dr. C. Johnston, was a skillful surgeon and physician in Central New York, where he died, leaving me alone with three children. At thirteen years of age he had a chronic fever and ague, for which I gave him your Sarsaparilla.
